Lindsey Magee, Digital Engagement and
Event Coordinator
Martha Allen Price, Executive Director
Amanda Powell, Administrative and
Systems Coordinator

MARCH of the MAYORS

On behalf of everyone at Extra Table FEEDS, we want to extend our sincere gratitude for your participation in the 2026 March of the Mayors. Your leadership and commitment to helping feed those experiencing food insecurity in your community helped make this year's initiative our most impactful yet.

Let's look at the impact numbers:

- 1 mission - 5 days - 5 regions
- 63 mayors
- 11,160 boxes packed in 2026
- 44,512 boxes (1,335,360 meals) packed over 6 years

This year's effort represents an extraordinary increase from 2025. Together, we packed over 3,000 additional food boxes, resulting in an estimated 334,000 meals for Mississippi families — a nearly 4x increase in impact compared to last year's event.

March of the Mayors continues to demonstrate what is possible when leaders come together to fight hunger at the local level. Your willingness to collect food, coordinate logistics, promote the effort in your community, rally volunteers, and shine a light on food insecurity played a vital role in the success of this year's campaign.

We are already planning for next year. March of the Mayors 2027 will kick off January 19, with packing days scheduled for March 1–5.

Thank you for standing with Extra Table FEEDS and for your continued dedication to serving the people of your state. We are honored to partner with you in the food fight!

With Food and Gratitude,

Lindsey Magee
